# THE STUPINI KIDS GOLF DAY

Tuesday October 4th 2011 at Mannings Heath GC

Organised and Run by former European Tour Professional Carl Watts

**WHY ENTER THIS GOLF DAY?** Educating kids out of poverty based in Stupini, Brasov, Romania is the purpose of the Stupini kid's charity. This home work club gives a secure place for under privileged kids to create friendships, have fun, enjoy a nutritious meal, complete their homework with support from the teachers at hand. When I attended the club for a week this May it is clear without financial support the club will close down. Without this opportunity to learn it is difficult for the kids to progress through school, meaning many kids give up school and find themselves heading down a far from glamorous road. The aim of this Golf Day is to raise a substantial part of the year's costs of running the homework club including 3 staff, rent, bus fares and food amounting to £15,000. If we can raise an additional £10,000 a much needed replacement minibus could also be purchased. **Please support this great cause.....**

**FORMAT OF THE DAY:** 60 Teams of 2 playing 4 Ball Better Ball with  $\frac{3}{4}$  handicap
